One Cake of Cuticura Soap and One Box of Cuticura Cured Baby's Awful Humor.

"When my sister was eighteen months old a humor broke out on her shoulders, extending clear across the back. For two years it caused her intense suffering. It would scab over and then crack open and a watery matter ooze from it. Then the scabs would fall off and it would be raw for a time. We had several different doctors and tried everything we could think of, but without effecting a cure. Then we got one cake of Cuticura Soap and one box of Cuticura Ointment, which cured her completely and without scar or blemish. (Signed) Lillie Chase Walker, 5 Tremont St., Woodfords, Me."

Mr. Olmsted brought his dishonest competitors into the Supreme Court of New York State, which recently granted an injunction with costs, restraining the offenders from making or selling a foot powder resembling Allen's Foot-Ease in outward form or design or otherwise.
